

The Oriskany Sports Boosters

The Oriskany Sports Boosters Club is a volunteer-run 501c3 not for profit organization established to support and supplement the athletic programs of the Oriskany Central School District. This group of dedicated parents and community members are involved in fundraisers throughout the year to help aid in the betterment of the student athletes and their athletic experience. The Oriskany Sports Boosters strive to enhance the athletic experience for all our student athletes and continue to promote strong relationships and involvement in the Oriskany Central School District and throughout the Oriskany community.

All of the money generated by the Oriskany Sports Boosters goes directly back to our student athletes. The money helps to support scholarships for our graduating student athletes, or to help cover costs of athletic equipment and apparel. The Oriskany Sports Boosters will also help cover the cost of clinics to enhance the student athlete experience. The Oriskany Sports Boosters are the major sponsor of the Oriskany Holiday Hoops Basketball Tournament as well as a supporter of several awards ceremonies held throughout the school year.

Everyone is encouraged to become a member. In doing so, you are helping an organization that gives back and supports the student athletes. We are always in need of parent and community volunteers to help achieve and continue our goal. Please consider joining our group of dedicated volunteers!
