

When in Doubt - Who to Contact

If you have questions pertaining to the school district or about your child's work, please do not hesitate to call or email. We encourage questions from parents and residents concerning the school program, transportation, budget, etc. In an attempt to respond to your questions and suggestions, it is important to contact the individual person who is responsible for the various areas of the school operation. This person has the most detailed information about their respective area of responsibility.

It is important to follow this step-by-step procedure in order to solve problems. An appeal to the Board of Education may be sought on any of the above issues after all the appropriate steps have been exhausted. It is the primary responsibility of the Board to set policy for the school district. The Superintendent and his administrative staff are legally empowered to administer the school district and put into operation the policies and decisions of the Board of Education.
