September 6, 2022

Dear Parents, Guardians and Family Members,

I hope your summer season was filled with relaxation, good health and joy. I also hope you were able to celebrate the warm weather with family, friends and loved ones.

As we start the beginning of the school year, I wanted to inform you that we will begin the year with an Interim Elementary Principal, Mrs. Maureen Gray, as Mrs. Mucurio is currently out on extended maternity leave.

Please know, Mrs. Gray comes to us with nearly thirty-five years of experience in education. In June 2021, she retired as the elementary principal in the Waterville Central School District, where she served in that role for eight years. Prior to that, she served as the director of special programs and athletic director in Waterville. Mrs. Gray has also completed the Superintendent's Development Program, and has served as acting superintendent for the Waterville Central School District, in the summer of 2020.

Mrs. Gray began her teaching career in the Clinton Central School District where she taught fourth grade. She then accepted a position in the Waterville Central School District, where she served as a special education teacher in the Jr./Sr. high school.

On a personal level, Mrs. Gray is married to Mr. Robert Gray, who is also in education, and they have three grown daughters. Mrs. Gray and her husband reside in Hamilton, New York.

"I am pleased that I am able to step into this role and best support ALL constituents in the Oriskany Central School District," Mrs. Gray said. "I look forward to working closely with students, families and teachers to bring about the best possible outcomes for students. Please know my door is always open!"

The District would like to provide a warm "Oriskany Proud" welcome to Mrs. Gray as she assumes the position of N.A. Walbran Interim Elementary Principal. We look forward to her wisdom, tutelage and experience in working with students, staff, families and the community.

Welcome aboard!

Respectfully,

Timothy Gaffney
Superintendent of Schools
