Dear Students, Parents, & Community Members,

I hope everyone had a great February break. I look forward to bright and warm days in March, as we move towards spring. We are already halfway through the 3rd marking period, and we already reached our 100 day mark for the school year! Progress reports are being sent home with students Friday, March 8th.

Winter sports are coming to an end within the next week. Our JV and Varsity teams have just recently finished successful seasons, and our modified athletes are in their last week of competition. I have thoroughly enjoyed watching all of our student athletes complete this winter. The spring JV and Varsity seasons will begin March 11th. Please see our athletics tab on our website, to get more information on all of our sports offered, and to register your child for spring sports.

A couple housekeeping notes to be aware of for the month of March:
- The Clash of Classes competition will be after school March 5th-8th for all 10th, 11th, and 12th graders. It will run each day 3:00-5:00
- March 15th is a Superintendent’s Conference Day and there will be no school for students.
- The Spring Musical is March 22nd & 23rd.

As always, thank you for your continued support of our students, staff, & school!

ORISKANY PROUD

Sincerely,

Andrew K Kennedy
Oriskany Jr./Sr. High School Principal
March:
8th- Progress Reports Mailed
10th- Daylight Savings Time Begins
11th- JV & Varsity Spring Sports Begins
12th- BOE Meeting @ 7pm
15th- Superintendent Conference Day- NO SCHOOL
18th- Modified Spring Sports Begins

Ski & Snowboard Club
March 8th

Alex Wlock & Skylar Albin both made it on the OHM Boces February CTE Bulletin.

Students have done their voting from the choices below for the new mascot. The Mascot Committee will now take the top 3 choices and have a second vote in the Spring where students, faculty, & community members will all be able to vote.

ANCHORS
GENERALS
OTTERS
PATRIOTS
RAPTORS
REVOLUTIONARIES
SKYHAWKS
WOLVES
NO MASCOT "O"

10th Grade BOCES Visitation:
March 5th and March 6th
Students visiting BOCES will report to their 1st period class for attendance and announcements. They will be released immediately after announcements and board the AM BOCES bus. This bus will also bring them back to the high school.
March 18th
6:00pm to 7:00pm

Location:
N.A. Walbran Elementary

Student Selected For Junior High All-County

Junior High All-County auditions were Jan 10th. Out of 87 vocal students that auditioned, one student from Oriskany Jr./Sr. High School was selected, Ceci Piersma! This festival features student musicians in grades 7-9 from throughout Oneida County. At the festival students work with a guest conductor to prepare several pieces. The festival culminates with a concert performance for the public, which benefits the OCMEA Scholarship fund. The concert will be on Friday, March 15th. Congratulations Ceci!!

Teacher Honored By Mohawk Valley Jugglers Hockey Team

On Tuesday January 30, 2024 at The Nexus Center in Utica, The Mohawk Valley Jugglers Hockey Team honored teachers from all of their 11 school districts at a Teacher Appreciation/Recognition Ceremony prior to the start of their game. Mr. Lallier was chosen by Noah Narolis, Sean Graziano, Matt Kernan and Jacob Bennett as an exceptional teacher! They admire his positive, upbeat personality, his dedication and commitment to his students, his value of education and his respect for others. The Jugglers ended up with a huge 3-2 win over Syracuse!
On Sunday March 3rd members of Language Club attended the Utica City F.C. vs Baltimore Blast Soccer Game. Members were able to greet Utica City players during halftime at their return to the field, take on field pictures after the game and watch a great game where Utica got the win.
The seventh graders wrapped up their simple machine unit by creating marshmallow launchers. They were given a cup, a utensil, tape, a classroom full of other materials, and a marshmallow. They were told they had to make a lever. They had to take their inventions and try to launch marshmallows at me, while I sat on my front desk with a target. They were given 11 trials to make adjustments to their launcher and try to hit the target. While making their adjustments they had to draw their launcher and identify three components: the fulcrum (fixed point that the lever rotates on), the output force (how the marshmallow leaves the lever), and the input force (the force they put on the lever). They enjoyed this lab because they got to be creative and work with classmates for one common goal, aim their marshmallow at the teacher! Students recently had the task of finding and identifying simple machines (levers, pulley, screws, inclined planes, wedges, and wheels with axles) around them that they use every day.

On February 28th members of Language Club continued working alongside the staff at Eastern Star Daycare Center to introduce basic vocabulary within their language of study through the use of songs, stories and mini lessons. This past month students worked on numbers and colors to create Valentines Day hearts celebrating heart month.
Future Business Leaders of America

Congratulations to our Future Business Leaders of America (FBLA) members Nathan Domenico, Sean Graziano, Nick Hays, Lauren Kraus, and Jayden Lutton for attending the Spring District Meeting at Theodore’s Restaurant. The members won first place for three speaking events and placed first, second and third place on the competitive exams for various business categories.

FBLA, led by our business teacher Pam Musacchio, allows its members to gain experience and knowledge in business and leadership skills as well as gain confidence through working with local businesses, community leaders, and the public.
Team Triumphs in CNY Mathletics

In a dazzling display of collaborative intellect, the Oriskany Mathletics Team emerged victorious in the B Division of the Central New York Mathletics 2023-2024 season. The team, composed of outstanding mathematicians from grades 7-12, demonstrated synergy and skill throughout the season, ultimately clinching the coveted title.

Central New York Mathletics is an organization designed to promote mathematical problem-solving skills in middle and high school students through academic competition. Since the 1960s, CNY Mathletics member schools have been hosting monthly competitions with challenging individual and group questions for participating teams.

The win is not just a trophy on the shelf; it’s a testament to the dedication, teamwork, and passion that Oriskany invests in nurturing the next generation of mathematical minds.

The Mathletics Team includes Anna Kasperovich, Katie Saladin, Erika Reid, Thomas Maher, Jack Tagliaferri, Sean Graziano, Nicholas Citriniti, Landon Volz, Kiril Kasperovich, and Gavin Bronk.
Oriskany Student Council invited everyone to participate in a Healthy Heart Spirit week. Each day was a different color: purple, white, red, pink and maroon. On Valentine’s Day, members Ishaal Mirza and Braelyn Oehler created a Selfie Wall with balloons and props for students to pose with their friends. Here are just a few of those fun photos!!!
March is...

Adopt a Rescued Guinea Pig Month
American Red Cross Month
Honor Society Awareness Month
International Ideas Month
Music In Our Schools Month
National Noodle Month
Youth Art Month
