

Dear Parents:

As your child moves up to the next grade level, there may be different items requested. This may be due to the instructional needs of a new grade level. Also, as student's progress through the K-6 program we work to help them learn organizational and time management skills. Below is a list of materials that your child will need in September as we begin the 2022-2023 school year. Replacements will be requested by the teacher in January if needed

Thank you for your time and support!
