Re: Interscholastic Athletic Competition Adjustments
From: John Rathbun, Executive Director

Section III is extending the start of the Spring Sports Season to comply with the New York State Governor's mandates and policies related to coronavirus until April 29th. Section III will continue to adhere to any and all extended dates and regulations established by the NYS Governor's office.

Section III leadership will continue to be in communication with local and state health departments and continue to work closely with NYSED and the NYSPHSAA. Additional updates will be provided as circumstances warrant.

We are grateful to our member schools for their continued support and their efforts to ensure quality educational and athletic experiences for our students. We ask for your understanding and patience as we navigate these unprecedented times.

Sincerely,
