Tuesday, September 1, 2020

Dear Parents/Guardians:

I hope this letter finds you having an enjoyable summer vacation. The fall sports season, tentatively, is scheduled for Monday, September 21, 2020. This date is subject to change due to COVID-19 and any Executive Order and/or any State of Federal Mandates.

By New York State Education Law, students participating in sports are required to complete an updated **Athletic Health History Form**. Please know that yearly physicals for this year have been waived for **FALL** sports.

Oriskany will continue to utilize online athletic registration through FamilyID. FamilyID is a secure registration platform that provides you with an easy, user-friendly way to register your student(s) for their upcoming athletic teams, and helps us to be more administratively efficient and environmentally responsible.

When you register through FamilyID, the system keeps track of your information in your profile. You enter your information only once for each family member for multiple uses and multiple programs. It will be helpful to have the date of your student(s) most recent physical handy to allow for accurate completion of your online registration.

Upon selecting the sport of participation, the parent/guardian will review and complete information regarding athletic health history, photograph consent, athletic handbook consent, transportation, and specific medical needs. Please take the time to read through and review this information with your child participating in athletics.

Please also refer to the **Athletic Handbook** at <https://www.oriskanycsd.org/Page/700>.

Once completed, this information will be securely housed on the FamilyID platform.

Online Registration Process

Please follow these steps:

Fall Athletic Important Information

Within this packet of information, you have been provided with a copy of the Athletic Handbook. There have been key revisions made to this document in the academic eligibility and disciplinary action phases. Please be sure to take time to read through this packet and then once again on the FamilyID registration platform so that each student athlete and parent/guardian have a clear understanding of all expectations.

The following information is a status update for our fall athletic season.

- We will continue to update athletes and families on the status of the fall athletic season due to COVID-19 should there be any changes in practices and/or contests.
- We are pleased to continue our partnership with Westmoreland as we are combining with them to offer football and boys soccer opportunities at the modified and varsity levels.
- Transportation schedules for student athletes in these combined programs will be determined in coordination with the reopening of schools due to COVID-19. We will wait to hear back from district transportation and the state to see what bussing will look like for this upcoming fall season.
- Athletes participating in the sport of football, please contact the Director of Athletics or your coaches to get date/time information for equipment hand out.

Listed below, I have listed a coach's directory with email available if you have additional or sport specific related questions below.
